

Instructions for new Users

### **Register**

First Name:	<input type="text"/>
Last Name:	<input type="text"/>
Email Address:	<input type="text"/>
Password:	<input type="password"/>

Enter the following information in the appropriate fields: First Name, Last Name, Email address and password.

Click on the Create Account Button.

You will see this message if everything was successful.

Congratulations! An email has been sent to you with instructions on how to verify your account.

It is important that you login to your email and verify your account. **You will not be able to use your account until you have verified it.**

After verifying your account you should see this message:

Your account has been successfully created, please login.

Now you can begin using EZCamLive.

<http://www.ezcamlive.com/welcome/login>

Once you sign in successfully, click on the Request Access tab.

Select a specific camera / room you want access to and the Add button .

A request will be sent to the Director for approval.

Once the Director approves your access to the camera it will be in your list of cameras. If you already logged in you may have to logout and back in again.

If you encounter any issues please click on the support tab and let us know. We will try our best to get back to you in a timely manner.
